

# Delaware Wetlands Conference 2014

*Conserving Wetland Resources through Science and Education*

## Save the Date and Call for Abstracts

Dover Downs Hotel, Dover, DE

Thursday, January 30, 2014

**Goal:** To join scientists, decision makers, and natural resource managers to disseminate current research on tidal and non-tidal wetlands, the value of Delaware's wetlands, and the impact their management has on the community.

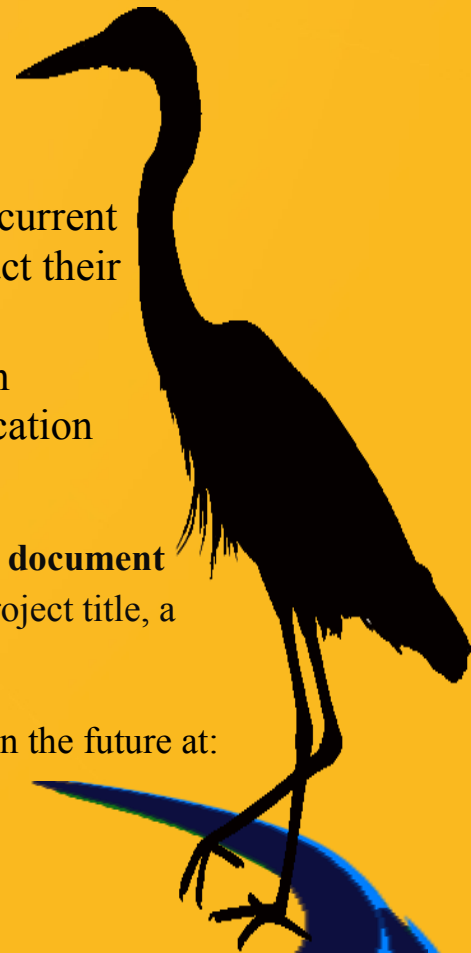

**Conference format:** Concurrent sessions will include 30 minute presentations and open discussions on the latest advances in the science and management of wetlands and application of this information to local decisions affecting wetlands and the benefits they provide.

If you are interested in giving an oral or poster presentation please submit as a separate Word document to [Matthew.Jennette@state.de.us](mailto:Matthew.Jennette@state.de.us) by Monday, September 30, 2013. Submissions must include project title, a list of all authors and their affiliations, and a brief abstract of 250 words or less.

Invitation with more details will follow. Agenda and additional conference information will be posted in the future at:

<http://de.gov/wetlandsconference2014>

Contact: [Margaret.Pletta@state.de.us](mailto:Margaret.Pletta@state.de.us) or 302.739.9939
